FAQ

What is the purpose of Convention?

The purpose of Convention is to gather the Sectional Representatives, Sponsors and teen girls from all the churches in our District to connect with each other as collaborators of the Ministry; to edify and equip via trainings and workshops; and build each other up via team building activities. In convention we exchange ideas, thoughts and hopes for the future that will better the ministry as a whole, and discuss matters pertaining to the ministry. We also set aside time to be served spiritually via corporate worship, prayer and the sharing of God's Word.

What type of Activities are held in Convention?

At convention you will benefit from the workshops, team building activities, a call to the altar for prayer and personal devotion, and social activities purposed to connect leaders and sponsors from all sections, creating relationships of support and encouragement among all sisters in ministry.
